Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Springfield Police Department** assume the proposal would not fiscally impact their agency.

Officials from the **Cole County Sheriff's Office** assume the proposal would have minimal fiscal impact.

Without input from state agencies, **Oversight** will assume the proposal will not have a fiscal impact on state agencies or on local political subdivisions.

Oversight assumes state and local law enforcement agencies will adhere to the provisions of this bill and will not be liable for compensatory damages as stated.
